ACCIDENTAL AND SAD DEATH.

Young Man Goes Out to Shoot Wildon, and Shoots Hissoil. For some time past a wildest annoyed the people in the neighborhood of Peter Mitchells, in the Nonconnah bottom, four miles from Memphis, and the people exmiles from Memphis, and the people expressed a strong desire to have the beast killed. On Saturday evening a young man named Dorsey took a double-barrel shot-gun and went in quest of the disturbing element of the neighborhood. He found the cas, which at once gave battle, making toward Dorsey with the flercest intentions. The hunter, doublful whether he could bring the animal down with his shot, first took refuge on a high stump, and from that point proceeded to give battle. He killed the furious animal with the first shot. As he was getting 6 wm

MEMPHIS, February 18-Masses Editors:—At our Mardi Gras feet above low water mark. At Cairo the celebration there was one representation that seemed to have been overlooked by seven inches, and at Louisville one foot int of the east cank of the Mississippi river, in the city of Memphia, and be-tween Popiar street and Beate street, such sheds, rallway tracks, engines and other spulpments as may be necessary for the prosecution of THE BUNINESS OF HANDLING PREIGHTS. Said company shall also have the right to lay down such railroad track from their

who wish him every success in his new field.

Musho estate, of which John A. Reush is executor. It is a three-story brick, used as a retail grocery, and occupied by Mr. Blackman, who kept his saleable articles on the ground floor and his household the courts, but this they have wholly failed to do, but have entered into a a contract with the defective and disease. reluctantly compelled him to "go for" his trunks and things with more liveliness than he evinced in two months previous None of the parties could exactly say how the disaster originated, but the general impression seemed to be that a stovepipe caused it. However the fire was near the difficulty of getting water up so far to-ward the szure bius of a morn-lit heaven THOMAS S. GATHRIGHT, the very prince of pedagogues, the most successful trainer of pedagogues and the laying of their tracks and other equipments, and the city nor any other perty has a right to inherier exist the first successful trainer of pedagogues and the laying of their tracks and other equipments, and the city nor any at haif past nine in the night the fire was allowed to take its own course until an inch and a quarter nozzie was simed at it with deadly effect. Mr. Blackman of the grocery and his friends saved much of his furniture from the apartments on the chances inside of the brick walls. This was considered easier than to allow them to take their chances out doors. If si-lowed out doors they would certainly have escaped the devouring element of fire but not the no less described to ele-ment of African dignetive aparetts. There was two thousand of that persussion in the neighborhood. The four fire engines and the hook and ladder were on the ground very promptly, and deluged the premises with acqueus fluid, sufficient to put out the flumes and damage the grocaries in the store below. The upper part of the house was seriously damaged. The floor was partially burned, the windows stove in, and a general appearance of ruin brought upon the habitation in a few minutes. The house was insured by Mr. publican of Saturday, says: Siect, anow and rain vactoria, with north wind in

RIVER AND WEATHER.—The weather yesderday was pleasan! River men are again talking about a speedy resumption of navigation from St. Louis. The public generally will hall the event as joyfully as steamboatmen. The river here rose two inches, and stands four and a half feet above low water mark. At Cairo the river rose twelve inches; at Vickaburg seven inches, and at Louisville one foot and two inches; at Cincinnati there was a

Corbitt, leaves this evening at five p.m. for Cairo and the cost landings.

ARRIVALS-Phil, Allin, Friars Point;
G. W. check, Friars Point. DEPARTURES - Phil. Allin, Friars Point, Alice, Cairo; Undine, Osceola, IN PORT-G. W. Cheek.
OTHER MATTHES-There were but two arrivals and two departures, honce bu little was doing at the levee.......The lo-cal packets are all defained by a heavy fog.......The G. W. Cheek, from Friars Point, brought in sixty-three bales of cotton, two hundred and seventy five sacks the disaster originated, but the general impression seemed to be that a stovepipe caused it. However the fire was near the place when first seen, and owing to the difficulty of getting water up so far toward the azure blue of a morn-lit beaven at hair past nine in the night the fire was sengers coming up on the Thompson Dean. She was subsequently relieved, a when she was backing out from Jones' landing, after the necessary bonds had been arranged and she had been released, some of the villains on shore opened fire upon her and nearly riddled her yawl, several shots striking started for the leves to serve the de ment, and just as he arrived at the top of the bluff, to his royal diagust he saw the Hays back out and make a bee line for Reush, in the People's insurance office, for and rain yesterday, with north wind in \$2500. The other property was not insured.

There was some excitement on 'Change about a rapid rise in the river, but it proved on examination to be a less

rapid rise than was generally reported. Up to four o'clock the rise amounted to exactly thirteen inches, and then it was coming up slowly. The possibility of damage to steamboats on the break-up is being earnessly discussed. When the proper time comes it is expected that the iee in the harbor will be rapidly ground to small places. until this morning. The cases on the calendar following the case of Nalson vs acting in concert. The ice-breaking fleet Trigg, will be taken up this morning. Trigg, will be taken up this morning.

Second Chancery Court-Septt, Chanceller.

The case of Brown vs Hunt is still unfaished.

First Circuit Court-Heiskell, Judge.

The calendar Friday contains the following cases:—1800 Gaylord & Sons vs lower the property affect will carry off the government of the groups.

had plowed through. If she reached Carondeles she will probably push on and most the Petral coming hp. There are some thirty bleamers, about thirty barges, a dozen ferry, tog and towboats, and nine large wharfboats, lying between the bridge piers and arsenal, but apprehension of danger is very much lessened since the ice in the harbor has been so badly broken. Among these steamers are the Arkansas, Mary, David, Colossal, St. Luke, City of Cairo, Mollie Moore, Lucy Beriram, Continental, S. S. Merrill, City of Alton, Oceanus, Bunker Hill, Colorado, J. H. Johnson, Rob Roy, City of Chester, City of Heiens, Grand Tower, Sallie, Silver Bow, Belle of Pike, Southern Belle, City of Viokaburg, Stephen Bayard, Neilie Rogers, Kate Hart and Belle Memphis. Those steamers are valued at \$1,000,000; the barges at \$45,000; the tugs, towboats, ferry boats, wharfboats, etc., at \$435,000; and the cargoes at \$200,000; total, \$1,675,000.
